## CHORDS

I Don't Remember Loving You - John Conlee  
Capo 1

[Verse]

**C** **G** **C**  
I don't remember lovin' you  
**G**  
And I don't recall the things, You say you put me through  
**F** **C**  
You tell me that you've had A guilty conscience for so long  
**F** **C**  
You say that you walked out on me You say you did me wrong  
**G**  
Well, I just don't see how that could be true  
**C**  
'Cause I don't remember lovin' you

[Verse]

**C** **G** **C**  
I don't remember lovin' you  
**G**  
You might talk to my doctor He drops by each day at two  
**F** **C**  
I get a funny feelin' when I look into your eyes  
**F** **C**  
There's something in you smile That gives my stomach butterflies  
**G**  
You must look like someone I once knew  
**C**  
But I don't remember lovin' you

[Chorus]

**G** **F** **C**  
I don't remember lovin' you  
**G** **F** **G**  
I heard you mention children Did you say there's one or two?  
**F** **C**  
You say I quit my job And then I drank myself insane  
**F** **C**  
You say that I ran down the highway screaming out your name  
**G**  
Well, that's not the sort of thing that I would do
