(or use capo at 2nd fret and play G, C, Am7, A7, D)

Chorus:

C **C7**
Now I'm lying here with Linda on my mind
F **C**
And next to me might soon to be the one I left behind
C7
And lord it's killing me to see her crying
F **Dm7** **G7**
She know's I'm lying here beside here beside her
C
with Linda on my mind

C **C7**
Yes I know that I once loved her and I placed no one above her
F **C**
And I never thought I'd ever set her free
F **C**
But it just wasn't in my plan, the way Linda squeezed my hand
D7 **G7**
The first time that I held her close as she danced with me

G7 **C**
She said I've loved you for a long time,
C7
But you're married to a friend of mine
F **C**
And I try hard to never let it show,
F **C** **C7** **F**
But my love for you is stronger, I can't hide it any longer
C **Dm7** **G7** **C**
And so I thought I'd better let you know

Repeat Chorus
